

5 Axis Machinist

Erodex (UK) Ltd are looking for a 5 axis specialist to work in our 5 axis cell at our Darlaston site.

Erodex is a family run organisation with a strong presence and good reputation within the UK Aerospace industry. Investment in its people is a key policy of Erodex culture to ensure that we continue to meet the high standards expected by our customers.

Must have a min of 10 years' experience of machining with experience in Aerospace desirable.

Experience of working on Hurco is essential.

An ability to program and work with minimal supervision is a necessity.

Experience of working with graphite would be beneficial.

This is a permanent, 40-hour, full-time position. Monday to Thursday 6am – 4.30pm.

Competitive rate of pay dependant on experience.

Company sick pay scheme.

If you feel that you have the qualities and skills to succeed in this role then please apply today, by sending your CV to HR@erodex.com
